Where is the hospital?

I don't know anything about the outside world! I don't even know if there are any decent hospitals in Japan right now...

Oh no... Her face is getting whiter.

There's no one to ask for directions...

The police station is in ruins.

All the payphones are broken.

The teacher said the safest place to go to is the Great Japanese Cemetery.

Maybe there are decent people there.

Hurry...!

大日本墓地
